NOTIFICATION OF POSSIBLE CHANGES IN COVERAGE FOR TERRORISM

Dear Policyholder:

The Terrorism Risk Insurance Act of 2002 (including ensuing Congressional actions pursuant to the Act) will expire on December 31, 2027 unless the Federal government extends the Act. What this means to you is the following:

1. This policy does not provide coverage for certified acts of terrorism, since you have previously declined this coverage.
2. A conditional endorsement entitled, Conditional Exclusion Of Terrorism Involving Nuclear, Biological Or Chemical Terrorism (Relating To Disposition Of Federal Terrorism Risk Insurance Act) is enclosed. This conditional endorsement will only apply if the Act is not extended or if the Act is revised to increase statutory deductibles, decrease the federal government's share in potential losses above the statutory deductibles, change the levels, terms or conditions of coverage and we are no longer required to make terrorism coverage available and elect not to do so. It will not apply if the Act is simply extended.
3. The conditional endorsement will provide coverage for an incident of terrorism pursuant to the terms and conditions of the policy only if the incident does not involve nuclear, biological or chemical material.
4. A premium charge will be made for this coverage after January 1, 2028. It will be prorated for the period beginning January 1, 2028 and ending on the expiration date of this policy term. However, it will only be made if the Terrorism Risk Insurance Act (including ensuing Congressional actions pursuant to the Act) is not extended. Revised Declarations will be mailed to you after January 1, 2028.
5. If the Act is extended without any revision, the enclosed policy will continue to exclude coverage for certified acts of terrorism. The conditional endorsement will not be activated and the changes in coverage or premium referenced above will not apply.
6. If the Act is extended with revisions or is replaced, and we are required or elect to continue to offer coverage for certified acts of terrorism, we may amend this policy in accordance with the provisions of the revised Act or its replacement.

2. When this endorsement becomes applicable in accordance with the terms of A.1.a. or A.1.b., above, it supersedes any terrorism

3. If this endorsement does NOT become applicable, then any terrorism endorsement already endorsed to this policy, that addresses "certified acts of terrorism", will remain in effect. However, if the Program is renewed, extended or otherwise continued in effect with revisions that change the level or terms or conditions of coverage, and we are required to offer you the revised coverage or to provide revised coverage to those who previously accepted coverage under the Program, then we will take the appropriate steps in response to the federal requirements.

All "bodily injury", "property damage", "personal injury" or "advertising injury" is excluded regardless of any other cause or event that contributes concurrently or in any sequence to such

injury or damage. This exclusion applies only when one or more of the following are attributed to an incident of "terrorism":

1. The "terrorism" is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination;
