

Bannockburn Residents,

The next Bannockburn HOA meeting is Wednesday June 10, 7 pm at the Franktown Fire Department. We encourage your attendance and participation.

In addition to the standard agenda items, Mr. Dan Roberts, Assistant Director Public Works for Douglas County, is on the agenda for thirty minutes to provide answers to prepared questions about the road project on Tanglewood Rd. He and others at the county have already received and prepared answers for many questions both from the HOA and residents.

He has requested any further questions be sent to: [Directors@bannockburnhoa.org](mailto:Directors@bannockburnhoa.org) and [Drroberts@douglasco.gov](mailto:Drroberts@douglasco.gov) for inclusion in the written responses to the HOA.

We will document questions and answers as part of the meeting minutes.

This is an opportunity to understand the Douglas County plans that may affect the Bannockburn community.

Thank you,

Bannockburn HOA Board.
